

9.r DOPOLNILNI POUK

3. ura: PRESENT PERFECT with been/gone

Ponovi:

BEEN / GONE

- We use **"BEEN"** to say that the person went to a place and came back.
He has been on holiday, but he is at home now.
- We use **"GONE"** to say that the person is still in that place.
He has gone on holiday, so he can't do it now.
