2. Pogledj vremenske simbole, prepisi in dopolni besedilo.

April is a strange month. The weather changes all the time. Days can be **sunny** (1) with **clear** **s** ..... (2). Then **c** ..... (3) come and it is **r** ..... (4) for a few days and even **s** ..... (5). We can sometimes see a colourful **r** ..... (6) if the **s** ..... (7) shines through the rain. In the morning, it is often **f** ..... (8) but never **l** ..... (9). Finally, April can even surprise us with a **s** ..... (10) day.
