Wild flowers, chapter 1:

1 The main character is Tom. He's a student. He's usually bored at school and he doesn't like history, but he really likes science. He's popular with other students because he's funny, but most teachers don't think he's funny.

2 Neesha is Tom's best friend. Mr Roberts is his science teacher. Miss Kay is the head teacher.

3 His favourite subject is science, because he thinks Mr Roberts is a great teacher.

4 Because Mr Roberts isn't there. He doesn't work at the school any more.

5 No, he isn't.

Wild flowers, chapter 2:

1 Because Mr Roberts wasn't at school so there was no science class.

2 No, he didn't.

3 Because he wanted to find out more about Mr Roberts.

4 She opened her cupboard and found that the science exam paper wasn't there. Then she found the paper in Mr Roberts' desk.

5 No, he doesn't.

6 He wants to find out who took the paper and why.
