

11. Teden / 1.ura – Nepravilni glagoli

1. Danes boš vzel v roke seznam nepravilnih glagolov (irregular verbs). Saj vem, da jih že kar pogrešaš.

Ponovi jih – najprej potih, nato na glas. Z izbrano barvo označi tiste, ki jih ne znaš. Te ponavljaj vsak dan do petka.

Ko ponavljaš glagole, je pomembno, da jih tudi zapišeš. Vzameš lahko star papir ali zvezek za angleščino in vanj napišeš oblike ter tudi PREVOD. Ko končaš, vzameš **rdeče pisalo** in si s pomočjo seznama nepravilnih glagolov pregledaš, kako uspešen si bil.

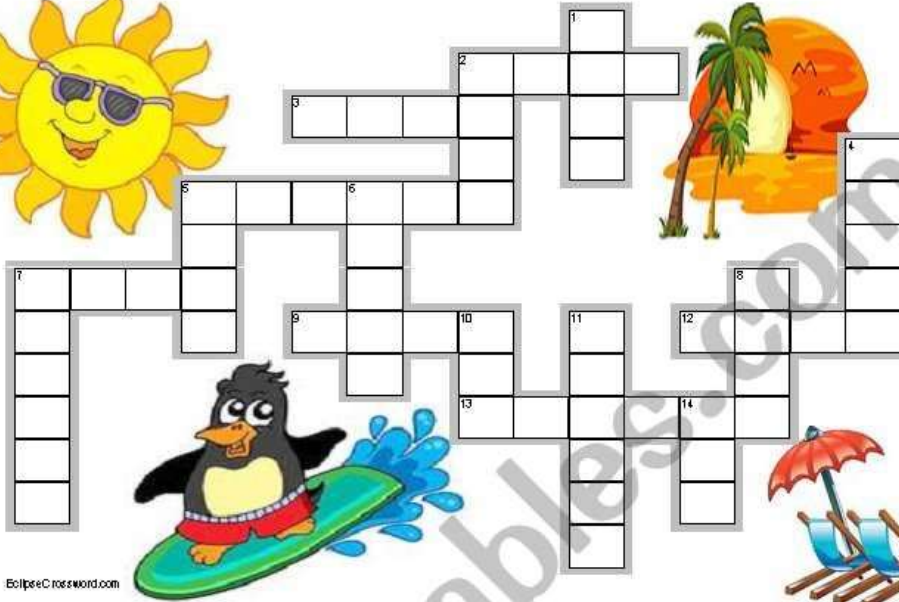

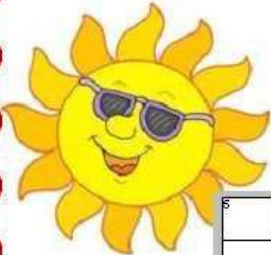

2. Naredi spletno vajo. Rešitve si lahko sproti preveriš. Nalogo najdeš na spodnji povezavi:

3. Reši delovni list. Uporabiti moraš tretjo obliko glagolov, da dopolniš povedi. Nato pa glagole vpišeš v križanko in s tem še dodatno preveriš, če si nalogo rešil pravilno.
