UTRJEVANJE: PRESENT PERFECT + EVER, NEVER, JUST

Ponovimo:

PRESENT PERFECT + EVER and NEVER

Present perfect uporabljamo, kadar govorimo o svojih izkušnjah na splošno, ne povemo, kdaj so se zgodile.

ever = do sedaj (kadar sprašujemo po izkušnjah, če mislimo na čas »do sedaj«)

Have you ever travelled by plane?

never = ne do sedaj (uporabljamo ga v trdilnih stavkih)

I've never travelled by plane.

PRESENT PERFECT + JUST

Kadar želimo izraziti, da se je nekaj zgodilo pred kratkim, uporabimo present perfect in **JUST**.

What have you just done?

I've just washed my hair.
